2022 Energy Resources (Electrical Energy) Surcharge Rate

The California Energy Commission (CEC) set the electrical energy surcharge rate for the 2022 calendar year to remain at three-tenths mill (\$.0003) per kilowatt-hour.

The CEC determines the electrical energy surcharge rate each November for the following calendar year. The electrical energy surcharge is imposed upon electrical energy consumed in California that is purchased from an electrical utility.

For more information on the electrical energy surcharge, please visit our website at www.cdtfa.ca.gov/taxes-and-fees/energy-res-surcharge-electrical.htm, or call our Customer Service Center at 1-800-400-7115 (CRS:711) and select the option for *Special Taxes and Fees*. Customer service representatives are available to assist you Monday through Friday from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays.
