GENERAL

The California Department of Tax and Fee Administration (CDTFA) administers the California Alcoholic Beverage Tax Law (Revenue and Taxation Code section 32001. et seq.) in cooperation with the Board of Equalization. The law includes the state excise tax on distilled spirits. The tax rates for this law as they relate to the sale of distilled spirits are shown on this return. Report all alcoholic beverages in wine gallons. To convert liters to wine gallons, multiply the quantity in liters by 0.264172. Round the resulting figure to the nearest gallon [see Alcoholic Beverage Tax Regulation 2544].

FILING REQUIREMENTS

Every distilled spirits taxpayer shall file a tax return of all sales of distilled spirits for the reporting period, on or before the fifteenth day of each month, following the close of the reporting period. You must file a return even if no tax is due for the reporting period. The return must be complete and supported by the necessary supplemental reports on [CDTFA-240-A](#), [CDTFA-241-A](#), [CDTFA-242-A](#), [CDTFA-243-B](#), and [CDTFA-244-B](#). Remittance for the amount due must be submitted by the due date of the return. A duplicate of the return should be retained on the licensed premises for verification by CDTFA auditors.

PENALTY FOR LATE FILING

Section 32252 of the Alcoholic Beverage Tax Law imposes a penalty for the late filing of this return regardless of whether any tax is due. The penalty for late payment of tax is 10 percent (0.10) of the amount of tax due together with interest on the tax from the date on which the tax is due and payable until the date of payment. The penalty for the late filing of this return is \$50.00. The penalties imposed shall be limited to either \$50.00, or 10 percent (0.10) of the amount of tax due, whichever is greater. The CDTFA is authorized by law, for good cause, to extend the time for the filing of this return not to exceed one month. Any request for an extension should be made in writing addressed to the CDTFA in Sacramento.
