WHAT YOU SHOULD KNOW BEFORE PREPARING AN OFFER IN COMPROMISE

Are you an OIC candidate?

The Offer in Compromise (OIC) program is for taxpayers or feepayers that do not have, and will not have in the foreseeable future, the income, assets, or means to pay their liability in full. It allows a taxpayer or feepayer to offer a lesser amount for payment of a nondisputed final tax liability on a closed-out account.

Effective January 1, 2009, through January 1, 2023, the OIC program will extend to qualified active businesses where the taxpayer or feepayer has not received tax or fee reimbursement for tax and fees owed to the state, to successors of businesses that may have inherited tax liabilities of the predecessors, and to consumers who incurred a use tax liability.

A **qualified active business** is an active business that does not have, and will not have in the foreseeable future, the income, assets, or means to pay their nondisputed California Department of Tax and Fee Administration (CDTFA) assessed liability in full, where the CDTFA finds no evidence that the taxpayer collected sales or use tax reimbursement, and the taxpayer has not previously received a compromise.

Generally, we approve an OIC when **the amount offered represents the most we can expect to collect within a reasonable period of time.** Although each case is evaluated based on its own merit, we give the following factors strong consideration in the evaluation:

- ability to pay
- equity in the entity's assets
- present and future income
- present and future expenses
- potential for changed circumstances
- concealment of assets or existence of fraud

Who should use this application?

If you are making an offer as a corporation, LLC, trust, organization, or a limited or general partnership, please use this application. For an individual or an individual of a partnership, you should request the OIC package for *individuals* (CDTFA-490) from CDTFA's website or contact your local office. If you are making an offer as an individual **and** another entity (corporation, LLC, trust, or organization), both the individual application and the corporation application should be filled out respectively.

Who qualifies?

We will only process your OIC application if:

- You no longer have a controlling interest or association with the business that incurred the liability or a related business.
- You are an active business with a final liability that arose from transactions in which you did not receive tax or fee reimbursement.
- You are a consumer who accrued use tax.
- You are a successor that inherited the liability of your predecessor.
- You have fully completed the OIC application and provided all supporting documentation.

When should offered funds be submitted?

You will be notified when your offered amount should be submitted. The funds will be held in the form of a noninterest bearing deposit. If your OIC is denied, the full amount of your deposit will be refunded to you, or you may choose to apply the deposit to your liability. Credit interest will not be paid to you on the deposited amount if your offer is denied and subsequently refunded.

Should I continue to make installment payments while my offer is being evaluated?

Yes. You are required to continue making timely payments as established in your Installment Payment Agreement while your offer is being considered. The CDTFA will strive to process your offer and provide a decision within 180 days of receiving a completed application and documentation.

Will collection action be suspended while my offer is being evaluated?

In most cases, no new collection action will be taken while your offer is being evaluated. However, submitting an offer does not automatically suspend collection activity. If delaying collection activity jeopardizes our ability to collect the amount you owe, we may continue with collection efforts.

The following documentation must be submitted with your *Offer in Compromise Application* or your application may be returned as incomplete. **Please submit copies only.** We will **not** return any documents that you send us. Additional documentation may be required and requested as the evaluation of the *Offer in Compromise* proceeds.

SELLER'S PERMIT OR CDTFA ACCOUNT NUMBER(S)	PERIOD(S) OF LIABILITY
AMOUNT OWED TO THE CDTFA \$	TOTAL AMOUNT OF THE OFFER \$

It is understood that this offer will be considered and acted upon as quickly as possible. It does not relieve the taxpayer or feepayer of the liability sought to be compromised until the CDTFA accepts the offer and there has been full compliance with all agreements. The CDTFA may continue collection activities at its discretion.

Except for any amount deposited in connection with this offer, it is agreed that the CDTFA will retain all payments and credits made to the account for the periods covered by this offer. In addition, the CDTFA will retain any and all amounts to which the tax or feepayer(s) may be entitled under the California law, due through overpayments of tax or fees, penalty, or interest, prior to the offer being accepted, not to exceed the liability.

It is further agreed that upon notice to the taxpayer or feepayer of the acceptance of the offer, the taxpayer or feepayer shall have no right to contest in court or otherwise the amount of the liability sought to be compromised. No liability will be compromised until all obligations of each taxpayer or feepayer under the compromise agreement are completely performed.

Under penalty of perjury, I declare that I have examined the information given in this statement and all other documents included with this offer and to the best of my knowledge and belief, they are true, correct, and complete.

PROCESSING ACCEPTED OFFERS

Generally, an offer will not be forwarded for approval until the offer is funded. Once the offer is approved and funded, the OIC Section will process all the necessary adjustments to your account balance. Releases of liens (if applicable) will be mailed directly to the county in which they were recorded. The taxpayer or feepayer making the offer will receive copies of the lien release documents and a statement of balance with the acceptance letter.

Please note that the OIC covers only the final liabilities requested in the OIC application. Any future liabilities that may be assessed or become final after the date of the compromise are not covered.

PROCESSING DENIED OFFERS

If we reject or deny the offer, the deposit will be refunded or applied to the liability at the request of the taxpayer or feepayer with an effective date of the date the funds were received. No interest will be granted on returned deposits. If a third party has posted the deposited amount, staff must get written permission from the third party to apply the deposit. The case will be returned to the local district office or headquarters office with a recommendation for case handling based on information analyzed during the offer process.

Please note: *If you choose to make installment payments and the offered amount is not paid within twelve months, your offer will be denied and all funds received through the offer will be retained.*

Questions and Answers

Q What does the CDTFA consider a fair offer in relation to the amount due?

A Generally, an offer will be accepted when the amount offered is more than the CDTFA can expect to collect within a reasonable period of time, generally from five to seven years. The CDTFA will generally give more favorable consideration to those offers that include repayment of at least the tax or fee portion of the liability.

Q How long will it take to get a decision on my OIC?

A Generally, if we accept your offer for processing, we will have a decision to you within 180 days after receiving your offer. If your account is more complex, it may take longer than 180 days.

Q Can I make payments on the offered amount?

A Yes. Beginning January 1, 2009, both qualified active businesses and closed out businesses can make monthly installment payments towards the offered amount as long as the total amount of the offer is paid in full within twelve months. Or you may choose to pay the offered amount in a lump sum payment. If you choose to make installment payments and the offered amount is not paid within 12 months, your offer will be denied and all funds received through the offer will be retained.

Q Can prior payments be applied to the offered amount?

A No. Prior payments are not accepted towards the offered amount. However, prior payments and the offered amount compared to the total liability are taken into consideration when evaluating your offer.

Q My IRS/FTB/EDD OIC has been accepted. Will the CDTFA automatically approve my offer?

A No. Your CDTFA offer will be evaluated separately from your IRS, FTB, or EDD offer.

Q If the CDTFA determines that my offer is not acceptable, will I be contacted?

A Yes. In most cases, we will contact you to discuss your account and to determine the most appropriate resolution of your account. For example, if we determine that you have the ability to make monthly payments that will exceed the amount offered, we will work with you to establish an Installment Payment Agreement. You will receive a written response concerning your offer.

Q Will state tax liens be released if my offer is accepted?

A Yes. We release state tax liens upon final approval and funding of your offer. If another partner existed on the permit, the other partner's liability will not be cancelled nor will the other partner's lien be released.

Q Do I need to have someone represent me?

A No. Representation is not required. An OIC is available to all taxpayers or feepayers, whether or not they are represented. If you think you need representation, there are many tax professionals who have experience with the OIC process.

Q If my offer is rejected, can I choose to apply the deposit to my liability?

A Yes. If you choose to do so, the effective date of the payment is the date the deposit was made.

Q Where can I get a Power of Attorney, CDTFA-392?

A Many CDTFA forms and publications, including CDTFA-392, can be downloaded from our website www.cdtfa.ca.gov. If you do not have access to the Internet or you prefer to speak to someone, you can contact your local office or our customer service representatives at 1-800-400-7115 (TTY:711).

Unless you have been otherwise directed, you must submit your offer to the representative assigned to your account. If you do not know the name of the representative assigned to your account, please contact your local office. For more specific information on the OIC process, you may contact the OIC Section at 1-916-322-7931.
