Update to Postal Code Abbreviation Table Effective May 2020 Filing Period

Beginning with the May 2020 filing period, the *Country Code* abbreviations will change from three-letters to two-letters. For example, the abbreviation for United States will be reported as US instead of USA and Spain will be reported as SP instead of ESP. You will use the new two-letter postal abbreviation code when completing your report(s) and schedule(s) for activity occurring during the May 2020 filing period forward. The [CDTFA-810-CTC, Postal Abbreviation Table](#), will be updated to reflect the new codes for your reference.
