

Memorandum

510.0900

To: Marysville Compliance

March 4, 1966

From: Tax Counsel (GAT) – Headquarters

Subject: P--- N--- S---, Inc.
P. O. Box XX
---, California

SR -- XX XXXXXX

This is in reply to your letter of February 28, 1965, regarding the product Ordram 5 Granular produced by --- --- Co.

It is our understanding from the label specimen which you submitted that this product is a selective herbicide used by rice farmers to control watergrass. Inasmuch as it is a weed killer and not a plant nutrient, it does not qualify as a fertilizer under § 6358.
