GENERAL

The California Department of Tax and Fee Administration (CDTFA) administers the California Alcoholic Beverage Tax Law (Revenue and Taxation Code section 32001, et seq.) in cooperation with the Board of Equalization. The law includes the state excise tax imposed upon common carriers engaged in interstate or foreign passenger service making sales of distilled spirits in California.

FILING REQUIREMENTS

Each common carrier must file a return on or before the first day of the second calendar month following the month in which the sales were made, together with a remittance for the amount due for that period.

PREPARATION OF RETURN

The method for computing distilled spirits sales in California is based on the ratio that passenger miles in California bears to total passenger miles. The ratio of passenger miles in California may be adjusted by tests when significant changes occur in routes, schedules, or other operating conditions. The tests will be subject to review by the CDTFA.

All distilled spirits must be reported in wine gallons. Round the resulting figure to the nearest gallon.

Gallonage conversion factors:	1. One milliliter	= .000264172 gallons
	2. One liter	= .264172 gallons

PENALTY FOR LATE FILING

The state law imposes a penalty for the late filing of this return regardless of whether any tax is due. The penalty is \$50.00 or 10 percent (0.10) of the amount of tax due, whichever is greater. The CDTFA is authorized by law, for good cause, to extend the time for the filing of this return not to exceed one month. Any request for an extension may be submitted online at www.cdtfa.ca.gov.

For more information, visit the CDTFA website at www.cdtfa.ca.gov.
