Revisions to the Petroleum Carrier Report *and* Launch of New Online Services System Effective August 12, 2019

Your *Petroleum Carrier Report* will be revised and your petroleum carrier account will be included in our new online services system on August 12, 2019. To help you prepare, here are some important details about reporting changes and online filing with the California Department of Tax and Fee Administration (CDTFA).

What to expect

CDTFA-506-PC, *Petroleum Carrier Report*

- If you are reporting activity, you are required to submit the following schedules with your report:
 - *Schedule 14D - Carrier Receipts*
 - *Schedule 14E - Carrier Deliveries*

File online

Go Paperless! File your return in our online services system, CDTFA's preferred filing method.

- To document petroleum products received and/or delivered during the reporting period, you will be able to complete your activity online using a flat file (FLT) or electronic data interchange (EDI) format.
- You will need to create a new login before you can file in the new system. See *How to login* on the next page.
- We will email you a courtesy reminder to the email address we have on file prior to each filing due date. See *How to prepare* on the next page.
- You will be able to file an amended report in the new system for reporting periods after August 2019.

New requirements for FLT and EDI uploads:

- Enter any CDTFA account number requested using all 9 digits without letters or dashes.
- Purpose codes will be used as follows:
 - For an original report, enter "00" as purpose code on the cover of the FLT or EDI file. For an amendment or supplemental filing, the purpose code will be left blank.
 - Use the purpose transaction type such as "Blank"-Original, "6R"-Resubmission, or "6S"-Supplemental.

- The updated online filing guide, FLT templates, and electronic map specifications will be available online at www.cdtfa.ca.gov/taxes-and-fees/mofuel-efiling.htm to assist you.

Reminder – All mandatory fields will be required in our new online services system. This includes: all contact types being completed with a contact name and information; TIA control figures need to be provided; DUNS number needs to accurately state who the file is for CDTFA or IRS; reference requirements must include the state(s) that you represented (for example, CA); and do not duplicate any entries.

How to login

- The current *Username, Password, and Express Login* for this account will not be moved to the online services system.
