**SECTION 6388 — NEW OR REMANUFACTURED VEHICLES PURCHASED FROM OUT-OF-STATE DEALER**

This exemption applies to the sale, storage, use, or other consumption of a new or remanufactured truck, truck tractor, trailer, or semitrailer, with an unladen weight of 6,000 pounds or more, or a trailer coach or auxiliary dolly, purchased from a dealer located **outside** California for use **outside** California, and delivered in California by the manufacturer or remanufacturer to a purchaser who is not a resident of California. The purchaser must:

1. Remove the vehicle from this state within 30 days after the date of delivery.
2. Provide a valid affidavit to the manufacturer or remanufacturer, that is accepted by such person in good faith, stating:
  - The name and location of the out-of-state dealer from whom the vehicle was purchased,
  - The name and location of the in-state manufacturer or remanufacturer that delivered the vehicle to the purchaser, and the date of delivery,
  - That the purchaser is not a resident of California,
  - That the vehicle was purchased for use exclusively outside California,
  - That the vehicle was removed from this state within 30 days of the delivery date; and
  - The date of removal.
3. Provide evidence of out-of-state vehicle registration (state of registration, license plate number, and Vehicle Identification Number [VIN] or serial number) to the manufacturer or remanufacturer within 60 days of providing the affidavit to the deliverer.

Notwithstanding the forgoing provisions, it is rebuttably presumed that a vehicle registered outside California and apportioned for use within this state is not purchased for use exclusively outside this state.

**SECTION 6388.5 — SPECIFIED VEHICLES AND TRAILERS PURCHASED FOR USE OUT-OF-STATE OR IN INTERSTATE OR FOREIGN COMMERCE**

This exemption applies to the sale, storage, use, or other consumption of a new, used, or remanufactured truck; or a new or remanufactured trailer, or semitrailer with an unladen weight of 6,000 pounds or more purchased from a California or non-California dealer that was manufactured or remanufactured either within or without this state for use exclusively outside California or exclusively in interstate or foreign commerce, or both; **and** delivered by the manufacturer, remanufacturer, or dealer, to the purchaser in California. The purchaser or purchaser's agent must:

1. Remove the vehicle or trailer from this state within 30 days after the date of delivery, if the vehicle or trailer is manufactured or remanufactured outside California; or remove the vehicle or trailer from the state within 75 days after the date of delivery, if the vehicle or trailer is manufactured or remanufactured within California.
2. If the vehicle or trailer is registered outside the state, provide the delivering manufacturer, remanufacturer, or dealer a copy of the current out-of-state license and registration for the vehicle or trailer showing the VIN or serial number. Evidence of registration outside California must be submitted to the dealer, manufacturer, or remanufacturer no later than 60 days after the timely providing of an affidavit.
3. If the vehicle or trailer is registered in-state under the IRP or PTI program, provide the delivering manufacturer, remanufacturer, or dealer a copy of the federal document assigning or confirming the purchaser's or lessee's USDOT number, FMC number, or a copy of the current UCR filing with the Department of Motor Vehicles (DMV). The purchaser or purchaser's agent may not use the FMC number if the purchaser has a current USDOT number. Evidence of a USDOT number, FMC number, or UCR filing must be submitted with the affidavit.
4. Provide an affidavit to the manufacturer, remanufacturer, or dealer, that is accepted by such person in good faith, stating:
  - The name and location of the dealer from whom the vehicle or trailer was purchased,
  - The name and location of the California dealer, manufacturer, or remanufacturer that delivered the vehicle or trailer to the purchaser,
  - That the vehicle or trailer was purchased for use exclusively outside the state, or exclusively in interstate or foreign commerce, or both,
  - That the vehicle or trailer was removed from the state within the appropriate time periods; and
  - The date of removal.

**INSTRUCTIONS**

*This affidavit must be provided to the entity delivering the vehicle or trailer no later than **30 days** from the date the vehicle or trailer is taken outside California.*

*Complete all sections and check all appropriate boxes. If the vehicle or trailer was sold and delivered by the same entity, write "Same" in the sections for the deliverer.*

If a vehicle or trailer is registered in California under the IRP or PTI program, proof of a USDOT number, FMC number, or current UCR filing must be attached to the affidavit.

If a vehicle or trailer is registered outside California, proof of out-of-state registration (state of registration, license plate number, and VIN or serial number) must be furnished to the deliverer of the vehicle or trailer no later than 60 days after the purchaser provides the affidavit to the deliverer.

For transactions that include the purchase of more than one vehicle or trailer, you need not file a separate affidavit for each vehicle or trailer, but may instead append a list of the vehicles or trailers included in the transaction, identifying each one by a VIN or serial number. You must, however, report the date each vehicle or trailer was removed from the state and provide copies of current out-of-state license and registration documents or USDOT number, FMC number, or UCR filing applicable to each vehicle or trailer if registered in-state, as required.

If you purchase a vehicle or trailer for the purpose of leasing it, you may qualify for the exemption if the lessee meets the respective exemption criteria summarized above. A lessor must provide the name and address of the lessee. On leases of vehicles or trailers that qualify for IRP or PTI registration, the lessor must provide proof of the lessee's USDOT number, FMC number, or current UCR filing. For all other leases, the lessor must provide proof of out-of-state registration.

If you have questions about these exemptions or completion of the affidavit, please call 1-800-400-7115 (CRS:711). Customer service representatives are available Monday through Friday from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays.
