## Quick File Coming Soon

Starting July 1, 2026, we're launching *Quick File*—a faster, easier way to complete your fiscal yearly or annual return. When you begin your return online, you may be asked if you want to try *Quick File*.

- Select *Yes* to answer a few eligibility questions.
- Select *No* to complete your return as usual.

If you're eligible, *Quick File* will guide you through a smooth, simplified filing process. If you're not eligible, no worries—you'll continue filing just as you have in prior periods.
