**NOTICE OF ADOPTED IMMEDIATE HARVEST VALUES**  
(PERIOD OF JULY 1 THROUGH DECEMBER 31, 2023)

Section 38204[a] of the Revenue and Taxation Code requires that on or before June 30, 2023, the California Department of Tax and Fee Administration (the Department) shall estimate the Immediate Harvest Values of and adopt schedules for each species or subclassification of timber harvested between July 1 and December 31, 2023.

On June 27, 2023, the suggested Immediate Harvest Value Schedules for timber harvested between July 1 and December 31, 2023, were discussed at a public hearing that was held by the Department at 10:00 a.m., via teleconference. The suggested values were developed by the Timber Advisory Committee (TAC) in consultation with Department staff at the May 16, 2023, TAC Meeting.

In the absence of any public comment or concerns, the Department adopted the Immediate Harvest Value Schedules as recommended by the TAC for the period July 1 through December 31, 2023, on June 30, 2023.

A handwritten signature in black ink, appearing to read "Nicolas Maduros", written over a horizontal line.
